

ONESOURCE SUPPLY SOLUTIONS

YOUR SOURCE FOR MEDIUM VOLTAGE PRODUCTS AND ACCESSORIES

OneSource Supply Solutions (OSS) is a full-solution provider of medium voltage switchgear, cable and cable accessories, and tools. Our sales team has decades of experience with cable termination/accessory selection, switchgear construction and application, and major project management. We stock all premier manufacturers of MV terminations and accessories at our three California warehouses.

Established in 2010, OSS is a woman-owned DBE as a Women's Business Enterprise. A leading utility-focused electrical supplier and supply chain solutions provider, OSS supplies electrical materials, control and automation solutions, industrial supply, safety equipment and tools to customers throughout California and Hawaii.
